- The North West Region of U3As AGM is to be held at The Exchange, County Hall, Preston on Tuesday 4<sup>th</sup> June 2019.

Unfortunately, due to late notification, we cannot nominate or appoint delegates for either of these events. However, any member is able to attend either AGM if they so wish, at their own expense!

Please see our Noticeboard for further information.

**LIVERPOOL CREATIVE LEARNING**

Through our website we have been given the opportunity to participate in FREE creative sessions.

These will be held on a Tuesday afternoon throughout May and June, either here in Bromborough (assuming sufficient support) or at Liverpool Empire Theatre. The sessions will be led by a professional practitioner and will include a selection of taster activities from performing arts and circus skills to creative writing and arts and crafts.

This kind of activity falls well within our learning remit as a U3A and, as Chairman, I would like to think that it is worthy of our support.

However, it is a personal decision and if you feel this is an activity you would like to take part in please speak to Barbara Trevor at today's meeting.

If there is sufficient interest we might be able to host the event here in Bromborough, the only proviso is that we will be required to provide tea, coffee and biscuits. A small price to pay!

Roy Miles will be looking for contributions to his presentation in November – wouldn't it be nice if we could demonstrate some newly acquired skills?
